

Shabbat (Sabbath) Services

We hold worship services on a weekly basis every Shabbat, on each Rosh Chodesh (the beginning of the sacred month, also known as the “New Moon”) and on the annual holidays (Pesach, Sh’vu’ot, etc.) in Poulsbo, Washington. Our services feature prayer, live music, scripture readings with commentary and discussion, and fellowship over meals.

For our location and other information, feel free to contact us by email (info@yehoshuafoundation.org).

Prospective guests are advised to review our *Core Values, Behavior Standards* and *Principles of Biblical Interpretation* articles published on this website prior to making contact.
